INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Neon Capital Limited

Report on the Interim Financial Report

We have reviewed the accompanying interim financial report of Neon Capital Limited (“the company”) which comprises the consolidated statement of financial position as at 30 June 2016, the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory notes and the directors’ declaration of the Group comprising the company and the entities it controlled at the half-year end or from time to time during the half-year.

Directors’ responsibility for the interim financial report

The directors of the company are responsible for the preparation of the interim financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the interim financial report that is free from material misstatement, whether due to fraud or error.

Auditor’s responsibility

Our responsibility is to express a conclusion on the interim financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the interim financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Group’s financial position as at 31 December 2015 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of the company, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of an interim financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the interim financial report of Neon Capital Limited is not in accordance with the *Corporations Act 2001* including:

- a) giving a true and fair view of the Group's financial position as at 30 June 2016 and of its performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

NOTES TO THE HALF-YEAR FINANCIAL REPORT

For the 6 months ended 30 June 2016

1. CORPORATE INFORMATION

The financial report of Neon Capital Limited (the Company) for the half-year ended 30 June 2016 was authorised for issue in accordance with a resolution of the directors on 30th August 2016.

Neon Capital Limited is a for profit company limited by shares incorporated in Australia whose shares are publicly traded on the Australian Stock Exchange and is domiciled in Australia.

The nature of the operations and principal activities of the Group are described in the directors' report.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation

The half year financial report is a general purpose condensed financial report prepared in accordance with AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*.

The half year financial report does not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the Group's annual financial statements as at 31 December 2015 together with any public announcements made by Neon in accordance with the continuous disclosure obligations arising under the ASX Listing Rules.

New standards, interpretations and amendments adopted by the Group

The accounting policies adopted in the preparation of the half year financial report are consistent with those followed in the preparation of the Group's annual financial report for the year ended 31 December 2015. In addition to this, new accounting policies have been applied for the first time due to the change of the Company into a listed investment company. The new accounting policies are as follows:

Financial assets

Financial assets in the scope of AASB 139 Financial Instruments: Recognition and Measurement are classified as either financial assets at fair value through profit or loss, loans and receivables, held-to-maturity investments, or available-for-sale investments, as appropriate. When financial assets are recognised initially, they are measured at fair value plus, in the case of investments not at fair value through profit and loss, directly attributable transaction costs. The Group determines the classification of its financial assets after initial recognition and, when allowed and appropriate, re-evaluates this designation at each financial year-end. All regular way purchases or sales are purchases or sales of financial assets under contracts that require delivery of the assets within the period established generally by regulation or convention in the marketplace.

Financial assets at fair value through profit or loss

Financial assets classified as held for trading are included in the category 'financial assets at fair at fair value through profit or loss'. Financial assets are classified as held for trading if they are acquired for the purpose of selling in the near term. Derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on investment held for trading are recognised in profit or loss.

Recovery of deferred assets

Deferred tax assets are recognised for deductible temporary differences as management considers that it is probable that sufficient future tax profits will be available to utilize those temporary differences. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits.

Several new standards and amendments apply for the first time in 2016. However, they do not impact the financial performance or position of the annual consolidated financial statements of the Group or the interim condensed consolidated financial statements of the Group.

NOTES TO THE HALF-YEAR FINANCIAL REPORT

For the 6 months ended 30 June 2016

The carrying values of financial assets and liabilities approximate their fair values.

For the purpose of preparing the half-year financial report, the half-year has been treated as a discrete reporting period.

The Group has not yet early adopted any standard, interpretation or amendment that has been issued, but not yet effective.

The financial report has been prepared on a going concern basis.
